# Rusty's Report!

Iss.2 Nov.24

**New Name • Build Parties• Photos • Halloween**

## Our new name!

We are excited to announce that after careful consideration of many fantastic submissions, the winning name for our newsletter is Rusty's Report!

Congratulations Leyara for your winning submission and a big thank you to all the others who participated and contributed their creative ideas.

Now that our newspaper has been appropriately named, we need a proper logo/banner to either go along with our title or to replace it. If you'd like to have a go at a design for "Rusty's Report" you can submit it by sending it to any of our Staff members. We look forward to it!

## Offering a helping hand

If you're interested in contributing to a project, please review the project list pinned in build\_shenanigans on the Discord for available projects. Your skills and input could make a significant impact, so feel free to reach out to the project coordinator if you find something that inspires you!

## Halloween district was a big hit!

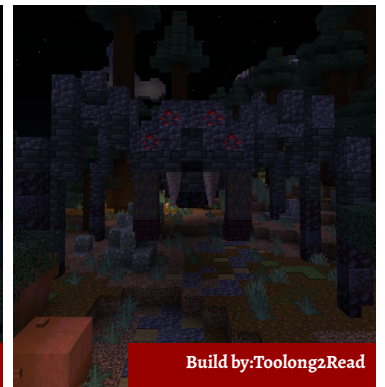

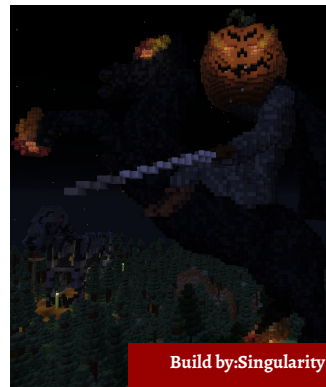

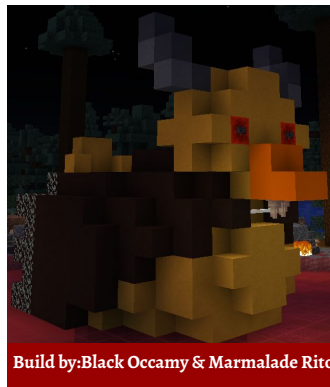

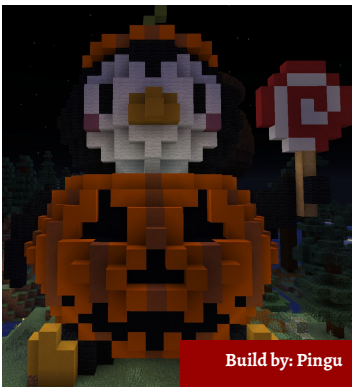

On Oct. 30th the Titancraft server celebrated its yearly Halloween event, showcasing impressive builds in the established Halloween district despite the server's recent launch.

The traditional pumpkin carving competition was a highlight, with participants demonstrating their creativity and skill, resulting in fantastic results.

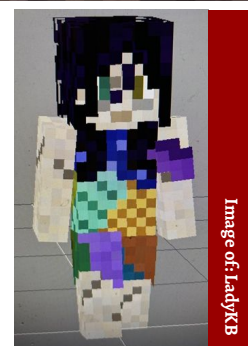

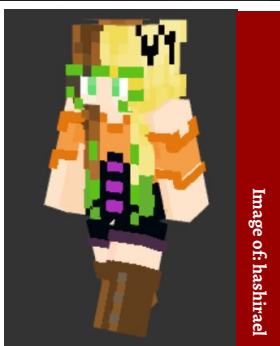

You can find some of our Highlights in picture format on the next page!

## Netherhub update

The hub team has been HARD at work! We were able to speedrun completing South tunnel in time for decorating for Halloween and THAT decorating was completed so quickly thanks To GrimBirb and co. Amazing work all around on the progress.

Additionally, work on the tunnels is COMPLETE! On Nov 2 1pm EST, we'll be revealing the rest of the tunnels.

A lot of work has been done on the main hub as well. We've completed the [REDACTED] floor and are working on layering the glass. We've built the majority of the [REDACTED], we've completely finished blasting the hole in the ceiling AND decorated it, and the additional rooms we have planned are about 2/3 dug out. Building of those rooms will begin in the very near future!

We've made a lot of progress. Thank YOU to everyone who has chipped in by donating resources, building everything AND of course, donating your precious time!

# Poem of the month

Seek

Wandering alone in the endless dark  
A shriek calls out to me  
~~~~~

Ripping through space and time  
I emerge in another dimension  
~~~~~

There is a stench filling my nostrils  
A thump nearby triggers my tendrils  
~~~~~

I move towards the sound  
The source must be destroyed  
~~~~~

My heartbeat picks up  
A rage is rising in me  
~~~~~

More noise in the distance  
It's moving farther away  
~~~~~

It is too late...  
I am locked on  
~~~~~

The rage erupts; I let out a loud roar  
Screaming can be heard  
~~~~~

"RUN!"
